

# Your Buddy Checklist

**Week 6**

## Resources Needed

1. The weekly keyword lists
2. A link to read the book online together. (P 12-13)
3. Weekly warm up questions.
4. A link to watch the quote video and the task card.
5. The quote generator task card!.
6. Coloured pencils and card.
7. Scissors, glue and paints.

## Things to Teach

Introduce your partner to the keywords for the week! Write them down and discuss their meanings

Read pages 12 and 13 of 'Bethe Change' and discuss the life of marine Curie. Answer the equations with your partner and discuss.

Watch the quotes video with your partner and ask them to write down the quotes they hear from the famous people on the task card. Discuss

Use the quote generator to help your partner make their very own quote. Once they have written it, help them to illustrate it.

Model to your partner how they can now make a frame to make their quote stand out! Once the quote is ready and framed the younger children can take this home to show their parents
