3. A copy of the warm-up questions.
4. A copy of your buddy's SDG task card
5. Your finalised poster

## Things to Teach

Make sure that your students understand the keywords from this week's weekly checklist.

Read pages 5-6 with your partner and discuss the life of Rosa Parks. What do they think of what she did?

Print out the SDG task card for your partner and read through the actions they are going to take on at home!

Allow your partner to fill in the blank squares with things that they think will help make the world a better place. Help them scribe their thoughts.

Show your partner your poster and allow them to design their very own poster to show the actions that they want their community to take on!
