Read pages 12 and 13 of 'Be the Change' and answer the questions about the life of Thomas Edison. You may wish to share some of his most famous inventions.

Read through the goals that your buddy set on the task card provided. Talk about which ones of the actions they have achieved and which are left still to complete

With your buddy, hop into Canva and using their quote from last week, find a logo that your buddy likes and print it!

Using a T-shirt template on card, help your buddy to cut out the template and draw the logo onto the T-shirt and colour it in. If they want to put this on a real T-shirt you may wish to help them do this
