

Grow Your Own Seedlings!

You'll Need

- Cardboard egg carton.
- Scissors
- Potting soil
- Used coffee grounds
- Seeds
- Waterproof tray

Step 1 - Mix the coffee and the soil together.

Step 2 - Fill the egg carton with the mixture.

Step 3 - Make a hole in each section using your finger.

Step 4 - place a seed carefully in each hole and cover up.

Step 5 - Water regularly and place in the sunshine.

Step 6 - Cut the egg carton into sections and give each away as a gift!
