SDG - Number 13 - Climate Action

What message are you trying to tell everyone?

We need to start protecting the rainforests before they are all cut down and the animals have nowhere to live. The rainforests are the lungs of the Earth and they allow us to breathe.

Draw 4 pictures linked to your quote

Quote - First Attempt

The Forests care for the Earth like a big hug from nature and we must care for them too.

Final Quote

'The warm hug of the forest makes everyone feel safe.'
