

Public Speaking Tips for Students

Make sure you know who is going to speak and when.

Talk to your team and decide who wants to speak to the class and who is going to answer questions when they arise.

Practice in front of people you know

Rehearse in front of your team and make sure you understand the content.

Find a friendly face in the crowd whilst speaking.

When speaking, find someone in the crowd who gives you smiles and nods.

Have a piece of paper on hand

Make some notes on a piece of paper, just in case you forget what you are going to say!

Get ready for feedback

People are going to have questions! Make sure you are ready for them!
