

Your Buddy Checklist

Week 9

Resources Needed

1. A link to read the book online together. (P 34-37)
2. A copy of the comprehension questions.
3. A device to log in to Canva.
4. A copy of the 'About the Author' task card.
5. Pencil, paper and camera to upload their drawing.
6. A list/checklist of all the attributes that will make the book ready for publication.

Things to Teach

Talk to your buddy about who they are and what's special about their story. Explain what the word inspiration means.

Read pages 34-37 with your partner and answer the questions using the pictures to help. These questions are quite tricky and may need explaining.

Use the 'About the Author' template to explain to the children why this page is so important. This is where others get to learn about the mastermind behind the story!

Assist your buddy in writing the about the author section and assist them in drawing and uploading their very own picture to Canva.

As the mentor and buddy, you now have the responsibility to check that the book is in order and almost ready to publish. Follow the guidelines and make sure that the book is almost complete before publishing next week.
