Things to Teach

Read through the weekly keywords and discuss their meaning with your buddy. Ask them to write them down and draw a picture for each one!

Read pages 18-19 with your partner and answer the questions about Jane Goodall. You may need to take some extra pictures and books to help.

Help the children organise an interview with an adult within the school and help them to record it. They can read out some of the questions from the task card provided. Once they have finished help them to lift some really good quotes from it.

Help your partner capture and list the three quotes that they want to include in their Canva presentation. Use the task card to help.

Help your buddy add some cool animations to their presentation by first showing them your slide deck and then showing them how to improve theirs by adding these cool new features. You may also want to help them include their new quotes!
