

4 Rules to Promote Fairness and Inclusivity

We are the kind of people who, if someone is hurt or sad, we always stop what we're doing to make sure they're okay.

In our school, we make sure everyone gets a chance to speak, and we listen carefully to what they say.

We are the kind of people who celebrate each other's successes and always encourage one another to do our best.

If we see a problem or something unfair, we work together to fix it and make things right for everyone.
