

# TEACH A LESSON – YOU'RE THE TEACHER!

Now it's your turn to teach!

Think of a unique way that you could teach the story and the idiom to another group of children, be creative and then pass on your new knowledge.

Flashcards

Group Class

- Make sure you explain what the idiom means, where it came from, and give an example.
- Teaching something is a great way to learn it really well.

*'The greatest way to learn is to teach!'*
