Things to Teach

Talk to your buddy about how important it is that we edit our work to make it sound perfect.

Read pages 18-21 with your partner and discuss the questions together. Listen to their answers carefully.

Work through the grammar task card and explain each of the features. Help the children to read and fill in the blanks.

Ask your buddy to show you their story so far. Help them to use the template to start writing their manuscript.

Show your buddy your main character drawing and help them to draw and colour in their main character on paper. Take a photo of the character and upload it to Canva.
