

# How to Make a Diorama?

## On Transport

Note - use your equipment carefully!

### Equipment Needed

- Shoebox or small cardboard box
- Coloured paper or paint
- Scissors
- Glue or tape
- Clay or playdough
- Craft sticks or toothpicks
- Fabric scraps or felt
- Markers or crayons
- Small toys or figures
- Natural materials (sticks, leaves, stones)

### Your Finished Product

Once your diorama is ready, you can use it to teach other children about the various types of transportation, or you can donate it to another class or school lacking the resources to deliver such inspirational lessons.
