

# YOUR CLASSBOOK CHECKLIST

Make sure that you have completed everything on the checklist before downloading your book as a PDF

- |   |  |                                     |
|---|--|-------------------------------------|
| 1 | We have tried our best to write a book filled with information about animals and birds.                          | <input checked="" type="checkbox"/> |
| 2 | Our book has a front cover that includes a background, foreground and a title.                                   | <input type="checkbox"/>            |
| 3 | Our book has a blurb and the blurb is the last page of the book.   | <input type="checkbox"/>            |
| 4 | We have included a blank page after the front cover and another before the back cover.                           | <input type="checkbox"/>            |
| 5 | The total number of pages in our book is an <b>even</b> number. (12, 14, 16, 18, 20) and the book is <b>A4</b> . | <input type="checkbox"/>            |
| 6 | We have created a page called 'About the Authors' and a 'dedication' page.                                       | <input type="checkbox"/>            |
| 7 | We have researched a cause where we would like some of the profits to go.  | <input type="checkbox"/>            |
| 8 | We have downloaded my book as a PDF and saved it to our computer.  | <input type="checkbox"/>            |
| 9 | Our text is in the <b>safe zone</b> and not near the edges of the page.  | <input type="checkbox"/>            |

When you have 9 **Green ticks**, you're ready to upload your book to the Upschool library.
