

CHOOSE A WAY YOU ARE GOING TO USE YOUR NEW UNDERSTANDING TO MAKE THE WORLD A BETTER PLACE.

Create Flashcards: Teach younger students about healthy living. Design Posters: Display colourful health posters around the school.

Record a short video on the importance of a healthy lifestyle for viewers worldwide.

Write to a Local Newspaper: Suggest ways the community can adopt healthier habits.

Host a Healthy Habits Challenge: Encourage a Group of Adults to follow a healthy habit. Write a Story: Teach younger children about healthy living through a story.

Get Featured in the News: Aim to get your project in the school newsletter or on TV.

Lead a Class
Discussion: Discuss
healthy habits with
your class.

Give a Speech or Lecture: Inspire others to make healthier choices.
