How to Upload Your Book in Upschool.co

1

Visit
upschool.co/library/upload
to Upload Your Book

Tp upload your book, you must first have an account. To register/login, visit upschool.co/registration. The QR code will take you straight to the upload page.
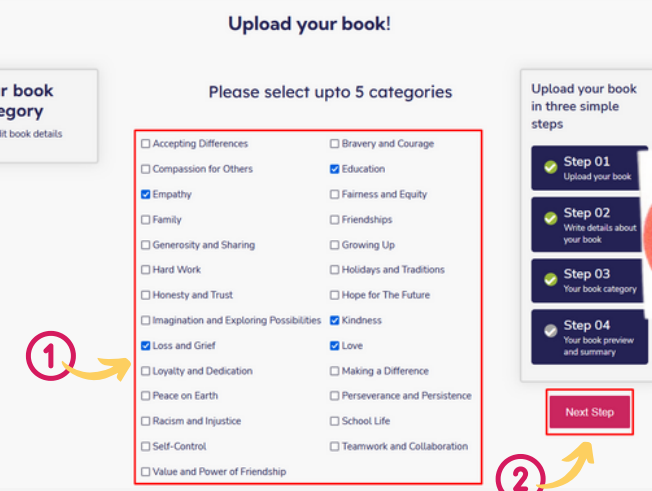

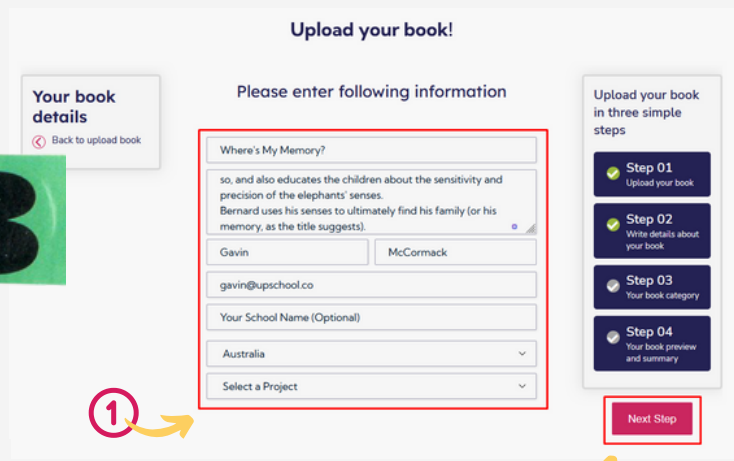

2

Drag Your PDF or Click on the Button to Upload the Book.

1. Click the button and select your pdf to upload
2. Once your pdf is uploaded, its name will be displayed in a green box. If you made a mistake, click the x icon and upload the correct one.
3. If everything is correct, click next step.

3

Book and Author Details

1. Fill in the book and author details. All fields are mandatory except School Name. You will also be required to select a charity/project where parts of your profits will go.
2. Once all of the information is filled, click "Next Step" button.

4

Select Your Book Category

1. What kind of themes does your book cover? You may select up to five (5) categories from the list that match your book.
2. Click "Next Step" button to review your book.

5

Review Your Book and Upload

1. Review that the pdf name matches the book you uploaded.
2. Check the book and author summary section.
3. View your uploaded pdf.
4. If everything is good, click the "Upload Book" button. Once the book is uploaded, you will be redirected to a thank you page.
5. If you want to change details, click on the button to go previous steps and make changes.

What's Next!

THE UPSCHOOL LIBRARY

1. Keep an eye out for the library through upschool.co/library
2. Once a book is uploaded, we will send you an email and let you know where to find it.
3. When the book is approved, you can then start sharing it with everybody that you know and start changing the world!!!.
