

Make Your Own Kelp Library

Materials Needed:

- Old stockings (green or light-coloured)
- Green paper or fabric (cut into strips or shapes to resemble kelp)
- String or fishing line (to hang the kelp)
- Hooks or adhesive ceiling hangers
- Construction paper or card stock (to create fish shapes)
- Markers, crayons, or paints (to decorate the fish)
- Scissors
- Tape or glue

Instructions:

1. Fill old stockings with strips of green paper or fabric to resemble kelp.
2. Tie the stockings and hang them from the ceiling with string and hooks.
3. Cut out fish shapes from construction paper, decorate them, and attach string.
4. Hang the fish on walls or from the ceiling.
5. Add soft seating and dim lighting for a relaxing atmosphere.
