

Researching Flags

Use the research questions below to help you conduct thorough research on the flags used in your culture before designing your unique page and adding it to your book.

What is the history behind the flag of your chosen culture?

What do the colours and symbols on the flag represent?

How has the flag been used throughout history?

Are there specific laws or protocols surrounding the flag's display?

How does the flag reflect the culture's values and identity?

Have there been any significant changes to the flag over time?

What role does the flag play in national celebrations and ceremonies?

How do citizens of the culture feel about their flag?

Are there any interesting facts or stories associated with the flag?
