

# WHO'S SAYING WHAT?

Use this grid to make notes about which team member will be talking during each of your slides. You may also want to make a note of what they will be talking about.

	Name	Topic	Notes
Slide 1			
Slide 2			
Slide 3			
Slide 4			
Slide 5			
Slide 6			
Slide 7			
Slide 8			
Slide 9			
Slide 10			

Once you have assigned each slide to a speaker and you have talked about the topic, each team member will need to go away and prepare some lines on a small card and rehearse these in case their slide deck is selected for the global conference in November. Good Luck!
